

2025 Heat Illness Prevention Training

Yuba City, CA

Cal/OSHA states that employers in California must take steps to protect workers from heat illness in both indoor and outdoor workplaces under California Code of Regulations, Title 8 (T8CCR), sections [3395](#) and [3396](#). Employers may be covered under both the indoor and outdoor regulations if they have both indoor and outdoor workplaces. These training sessions will provide your employees with the required safety training and will provide you and or your supervisors with information and resources to help keep your company in compliance.
